YEAR OUT PROGRAMME

**A YEAR  
THAT WILL  
TRANSFORM  
YOUR LIFE**

# YOUR GAP YEAR

Are you aged 18-25?

Are you passionate about God and others?

Do you love kids, youth and school's ministry?

If YES, then the Crown Jesus Academy is perfect for you!

The Crown Jesus Academy provides the opportunity to join a passionate and dynamic team with a heart to reach the people of Ireland with the Good News of Jesus. During your year, you will discover new gifts, gain lots of experience and be stretched out of your comfort zone to be all that God wants you to be!

Ultimately, you will be involved in reaching thousands of kids and young people with the gospel.

Drawing on the experience of running intern programmes for almost 15 years, we provide a year of creativity, fun and excellence that will help deepen your walk with God and equip you to reach the lost.

## TRAINING

We provide lots of training during your gap year through both in-house and external courses. We offer an OCN level 2 certificate in Youth Work Practice, evangelism training throughout the year and ongoing kids and youth development training.

## TEACHING AND MENTORING

God's Word is a priority and through team days, Academy Bible studies and one to one mentoring with a staff member, we seek to teach, encourage and develop each student on the team.

## STREAMS

Choose a particular area to focus on during the year and be developed and skilled up by one of the team.

Streams can include: Media, Dance, Drama and Prayer.

## MISSION TEAM

The year can include one home (Ireland) and one overseas mission trip.

# HOW DOES IT WORK?

Our Academy programme runs for 4 days a week from September to June. Monday is an in-house day for training and streams and the other 3 days involve hands-on ministry in partnership with schools and churches.

Some evening and weekend work will also be required.

Having some time off during the week allows for employment elsewhere, extra studies or even some much needed rest!

The cost is only £800 for the full year (payable in instalments). This includes the OCN level 2 qualification, Academy clothing and other training courses during the year.

(Note this cost excludes the mission trips).
